The CEPIUG 10th YAC is a no-profit, sponsor-free event, completely organised by patent information professionals volunteers, members of the European User Groups, for patent information professionals, in collaboration with the prestigious Politecnico di Milano. Your chance to learn & discuss the current state and future of our profession in Europe.

The CEPIUG

The Confederacy of European Patent Information User Groups was established in 2008 and now counts 12 User Groups and more than 1.000 members throughout Europe.

Patent Information Professionals of Austria, Belgium, Denmark, France, Germany, Great Britain, Italy, The Netherlands, Spain, Sweden and Switzerland has joined to pursue the common objective to improve the profession and the quality of the information on IP provided to industry, lawyers, attorneys, academy, and institutions.

Conference Package Fees

- Regular fee: € 450,00
- CEPIUG User Groups members: € 300,00
- Chairmen and Speakers: € 150,00
- Anniversary Party Partner: € 50,00

We offer you the full Conference package, including:

To be kept informed about the organisation developments, to propose a presentation or a workshop or for any question please send an email to secretary@cepiug.org and keep checking our websites and the CEPIUG LinkedIn Group.

I ♥ Patent Information!
The Conference
A three-day full programme including 6 main sessions, more than 40 speakers involved in presentations and panels, a fascinating story of the profession, an exposition of professional tools, a unique networking opportunity, an exciting search trial, a celebration party in the wonderful city centre, and much more!

A full immersion in the patent information world which offers a special opportunity to learn and discuss with experts and colleagues how to:

- begin searching, improve your search skills, and provide tutoring
- organise your job and let your company get the most from the information
- face hard cases, old and new search issues
- make a better use of professional tools and automatic search systems
- have more & up-to-date training & education opportunities
- get the QPIP Certification (announcements to be made!)
- help your User Group to play an active role in improving the profession

The Town

There is no space here to tell even an infinitesimal part of the history of Milano, of its extraordinary heritage of art and culture which has brought the town to evolve and expand its horizons to become, today, an internationally-renowned economic centre, the capital of Italian fashion and design, but also of Intellectual Property.

The Patent Olympiad

The first edition of an exciting patent prior art search contest, organised by an international team of experts. Have fun with your job! Sunday 9th, morning. For info:
